

INSTRUCTIONS FOR ASSEMBLY OF RECREATION CENTER

Unwrap and remove all parts from each box. Keep the boxes and packing material until the cage is assembled. In case of return or exchange failure to return product in similar condition as received could result in limited reimbursement. Check to ensure you have all the following parts:

- 2 TOY HOOKS
 - CROSS BAR PERCH WITH 2 CUP HOLDERS
 - 2 UPPER FRAMES (FRONT and BACK)
 - 2 LADDERS
 - BARREL BOLTS
 - PLAYPEN FRAME
 - GRATE
 - TRAY
 - 4 SKIRTS (2 LONG, 2 SHORT)
 - 2 CUPS
 - 2 LOWER FRAMES
 - MAIN BASE
 - 4 CASTERS
 - BOTTLE OF TOUCH UP PAINT
1. Place the MAIN BASE upside down and insert CASTERS into the legs (they can be installed using a rubber mallet).
 2. Turn MAIN BASE over and insert 2 LOWER FRAMES over the pegs in the BASE. The lower frames have short legs on the bottom, about ½ long, that should be inserted into the base.
 3. Insert PLAYPEN FRAME pegs into corresponding holes on the LOWER FRAME.
 4. Attach FRONT UPPER FRAME (sets of holes are approximately 3” apart, toy hook to the right) to the top of the PLAYPEN FRAME using BARREL BOLTS. Be sure the holes for the ladders appear over the corresponding holes in the front of the PLAYPEN FRAME. Do not completely tighten bolts until product is assembled.
 5. Attach BACK UPPER FRAME (sets of holes are approximately 6” apart, toy hook to your left) to the top of the PLAYPEN FRAME using BARREL BOLTS.
 6. Attach CROSS BAR PERCH (cups can face either direction) to the FRONT AND BACK UPPER FRAMES using BARREL BOLTS.
 7. Attach LADDERS to the top of the PLAYPEN FRAME and UPPER FRAME using BARREL BOLTS.
 8. If desired, slide the GRATE into the upper track.
 9. Slide the TRAY into the track below the grate. If you do not want to use the grate, you may slide the tray into the upper track.
 10. Locate the pair of SEED GUARDS with PEGS and insert the pegs into the metal sleeves attached to the PLAYPEN FRAME.
 11. Nest the second pair of SEED GUARDS into the ones already on the PLAYPEN FRAME.
 12. Insert TOY HOOKS into square tubes in the UPPER FRAME.
 13. Insert a CUP into each of the CUP HOLDERS.
